

# Research Experiences for Undergraduates (REU) Site : Data Science Across Disciplines

<https://reu.cs.mu.edu/>

June 1 - August 6, 2021

Sponsored by National Science Foundation, Award #1950826

Hosted by Marquette University—Department of Computer Science, Milwaukee, WI

## 2021 Summer REU Program

This Data Science Across Disciplines Research Experiences for Undergraduates Site (DSAD-REU) will immerse undergraduate students in an interdisciplinary research-intensive training and mentoring program.

We are seeking motivated undergraduate students of all levels majoring in data science, computer science, statistics, mathematics or related areas.

## Highlights

- Research themes/projects from different areas in data science such as core data science, exercise science, healthcare, social science and spatial analytics.
- 3-day mini boot camp on introduction to data science (first week of the program).
- Mentoring by researchers at Marquette University, Milwaukee, WI.
- Professional and leadership development opportunities.
- Poster presentation, technical report and publication opportunities.

## Support

REU students will receive:

- A stipend of \$600 per week (\$6,000 for 10 weeks)
- Allowance for food
- Allowance for professional conference registration and travel
- Housing on campus at Marquette

## Program Eligibility

Applicants must:

- Be a United States Citizen or permanent resident,
- Be unemployed for the ten weeks of the program, or on leave / not actively working, and
- Be an undergraduate student in good standing in a major related to data science, computer science, statistics, or mathematics.

**Women and students from underrepresented groups, as well as students from institutions with little or no opportunity for undergraduate research are encouraged to apply.**

## Program Details

- Program details, research projects and application form are located at : <https://reu.cs.mu.edu/>
- Application deadline is February 15th, 2021.
